K.D. MINES & MINERALS

The background of the advertisement is a photograph of a mining or quarry site. On the left, there is a large pile of light-colored, irregularly shaped stones or rubble. In the center and right, there are large piles of fine, light-colored material, possibly sand or crushed stone. Two large trucks are visible: one in the middle ground with a yellow and red body, and another further back with a red body. The sky is a pale, hazy blue.
